

**Skyfol**<sup>®</sup>  
Film Solutions

**PPF**Wrap Carbon  
paint protection film

Skyfol PPF Wrap Carbon is a premium performance ultra glossy, carbon patterned paint protection film designed to protect automotive paint, and other surfaces, from harmful effects of stone chips, minor scratches, road debris, chemicals, and abrasion while adding a realistic carbon fiber aesthetic to the applied area.

**Real PPF level protection**

**More durable than PVC  
car wrap films**

**Self-healing feature**

**Easily accessible from stock**

**Perfect gloss surface**

**Unique style**

## RAW MATERIAL:

Skyfol PPF Wrap Carbon is a biodegradable, polyester-based aliphatic thermo polyurethane film. As it is resistant to orange peel, yellowing and UV, it is widely used for the exterior surface protection of vehicles.

## STRUCTURE OF THE FILM

## TECHNICAL FEATURES

<b>Total thickness of the film:</b>	210 µm
<b>Tensile strength:</b>	33.88 Mpa
<b>Elongation at break:</b>	550% (D-412)
<b>Adhesive:</b>	Repositionable, non-yellowing, crystal-clear acrylic adhesive
<b>Resistance:</b>	The film is resistant to general-use automotive fuels
<b>Shelf life:</b>	1 year, stored optimally at 22°C and with relative humidity 50%

### TECHNICAL SPECIFICATIONS:

technical data, recommendations, and other statements contained in this document are based on tests and experimental data that we believe to be reliable but whose accuracy and completeness are not guaranteed.

### PRODUCT USE:

in actual use, many of the factors beyond the control of Skyfol can affect the performance of the product. Due to the diversity of factors affecting product performance, it is entirely the responsibility of the user to make sure that the film is suitable for the actual use.

### PRODUCT SAFETY:

the product is a urethane film with residual solvent odour, but it does not release hazardous chemicals under normal use.

### LIMITATION OF LIABILITY:

with the exception of statutory prohibitions, Skyfol shall not be held liable for any direct, indirect, special or incidental loss or damage related to the Skyfol product, regardless of any legal, statutory (warranty, contract), negligence or objective liability

## WARRANTY & EXPECTED DURABILITY

The installer assumes a 5-year warranty on the installation. The warranty applies to the film getting detached from the surface due to adhesive failure, cracking and bubbling. The warranty period begins on the date of the invoice issued for the installation. The warranty applies only if installation is carried out on the original factory paintwork. The warranty is non-transferable and applies only to the original customer. In case of problems due to material defects, Skyfol undertakes to replace the material. The value of the claim shall not exceed the gross purchase price indicated on the invoice for the sale of the product. The warranty does not cover damage caused by improper use, accidents, improper installation and normal wear and tear of the product, neither dents caused by stones and road debris. The paint protection film can be ordered from official Skyfol distributors published at [www.skyfol.com](http://www.skyfol.com). Always consult the relevant Skyfol representatives who will inform you about roll sizes, minimum order quantities, prices and other business terms.
